

Part Number: 113T2301-28

Part Description: Inboard Trailing Edge Flap AFT Flap Assembly

## Specifications

| Product Families:            | Flight Controls and Surfaces |
|------------------------------|------------------------------|
| Product Group:               | Flaps                        |
| Part Number                  | 113T2301-28                  |
| Root Part Number             | 113T2301-XX                  |
| ATA Chapter 2 Digit          | 57                           |
| ATA Chapter 4 Digit          | 57-53                        |
| ATA Chapter 6 Digit          | 57-53-27                     |
| MFR / Manufacture -CAGE Code | Boeing                       |
| Application                  | B767                         |

## Repair

| Part Number          | 113T2301-28                                  |
|----------------------|--|
| Description          | Inboard Trailing Edge Flap AFT Flap Assembly |
| Repair Manual- CMM   | СММ  |
| Bench Check & Advise | Yes  |
| Repair               | Yes  |
| Overhaul             | Yes  |
| Repair Facility      | Miami Lakes                                  |

## Logistics

| Part Number | 113T2301-28                                  |
|-------------|--|
| Description | Inboard Trailing Edge Flap AFT Flap Assembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.

630 Aerospace where quality is built in not inspected.
