

Part Number: 114N4002-115

Part Description: Wing Leading Edge Slat  
No. 1 and 10 Assemblies

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Slats                        |
| Part Number                  | 114N4002-115                 |
| Root Part Number             | 114N4002-XXXXX               |
| ATA Chapter 2 Digit          | 57                           |
| ATA Chapter 4 Digit          | 57-43                        |
| ATA Chapter 6 Digit          | 57-43-14                     |
| MFR / Manufacture -CAGE Code | Boeing                       |
| Application                  | B757                         |

## Repair

|                      |                                                |
|----------------------|------------------------------------------------|
| Part Number          | 114N4002-115                                   |
| Description          | Wing Leading Edge Slat No. 1 and 10 Assemblies |
| Repair Manual- CMM   | CMM                                            |
| Bench Check & Advise | Yes                                            |
| Repair               | Yes                                            |
| Overhaul             | Yes                                            |
| Repair Facility      | Miami Lakes                                    |

## Logistics

|             |                                                |
|-------------|------------------------------------------------|
| Part Number | 114N4002-115                                   |
| Description | Wing Leading Edge Slat No. 1 and 10 Assemblies |
