

Part Number: 114N4005-159

Part Description: Wing Leading Edge Slat  
No. 4 and 7 Assembly

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Slats                        |
| Part Number                  | 114N4005-159                 |
| Root Part Number             | 114N4005-XXXXX               |
| ATA Chapter 2 Digit          | 57                           |
| ATA Chapter 4 Digit          | 57-43                        |
| ATA Chapter 6 Digit          | 57-43-28                     |
| MFR / Manufacture -CAGE Code | Boeing                       |
| Application                  | B757                         |

## Repair

|                      |                                             |
|----------------------|---------------------------------------------|
| Part Number          | 114N4005-159                                |
| Description          | Wing Leading Edge Slat No. 4 and 7 Assembly |
| Repair Manual- CMM   | CMM                                         |
| Bench Check & Advise | Yes                                         |
| Repair               | Yes                                         |
| Overhaul             | Yes                                         |
| Repair Facility      | Miami Lakes                                 |

## Logistics

|             |                                             |
|-------------|---------------------------------------------|
| Part Number | 114N4005-159                                |
| Description | Wing Leading Edge Slat No. 4 and 7 Assembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
