

Part Number: 314U2200-31

Part Description: Turbine Exhaust Plug Assembly

## Specifications

|                              |                       |
|------------------------------|-----------------------|
| Product Families:            | Aircraft Interiors    |
| Product Group:               | Side Panels & Windows |
| Part Number                  | 314U2200-31           |
| Root Part Number             | 314U2200-XX           |
| ATA Chapter 2 Digit          | 78                    |
| ATA Chapter 4 Digit          | 78-11                 |
| ATA Chapter 6 Digit          | 78-11-15              |
| MFR / Manufacture -CAGE Code | Boeing                |
| Application                  | CF6 - 50 & 80         |

## Repair

|                      |                               |
|----------------------|-------------------------------|
| Part Number          | 314U2200-31                   |
| Description          | Turbine Exhaust Plug Assembly |
| Repair Manual- CMM   | CMM                           |
| Bench Check & Advise | Yes                           |
| Repair               | Yes                           |
| Overhaul             | Yes                           |
| Repair Facility      | Miami Lakes                   |

## Logistics

|             |                               |
|-------------|-------------------------------|
| Part Number | 314U2200-31                   |
| Description | Turbine Exhaust Plug Assembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
