

Part Number: 340-4000-511

Part Description: Nozzle Assembly

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Nozzle Assembly              |
| Part Number                  | 340-4000-511                 |
| Root Part Number             | 340-4000-511                 |
| ATA Chapter 2 Digit          | 78                           |
| ATA Chapter 4 Digit          | 78-11                        |
| ATA Chapter 6 Digit          | 78-11-11                     |
| MFR / Manufacture -CAGE Code | Rohr                         |
| Application                  | CFM56                        |

## Repair

|                      |                 |
|----------------------|-----------------|
| Part Number          | 340-4000-511    |
| Description          | Nozzle Assembly |
| Repair Manual- CMM   | CMM             |
| Bench Check & Advise | Yes             |
| Repair               | Yes             |
| Overhaul             | Yes             |
| Repair Facility      | Miami Lakes     |

## Logistics

|             |                 |
|-------------|-----------------|
| Part Number | 340-4000-511    |
| Description | Nozzle Assembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
