

Part Number: 749A0000-02Amdt.B

Part Description: Plenum

## Specifications

|                              |                   |
|------------------------------|-------------------|
| Product Families:            | Structures        |
| Product Group:               | Ducts             |
| Part Number                  | 749A0000-02Amdt.B |
| Root Part Number             | 749A0000-02Amdt.B |
| ATA Chapter 2 Digit          | 21                |
| ATA Chapter 4 Digit          | 21-52             |
| ATA Chapter 6 Digit          | 21-52-07          |
| MFR / Manufacture -CAGE Code | Liebherr          |
| Application                  | A320              |

## Repair

|                      |                   |
|----------------------|-------------------|
| Part Number          | 749A0000-02Amdt.B |
| Description          | Plenum            |
| Repair Manual- CMM   | CMM               |
| Bench Check & Advise | Yes               |
| Repair               | Yes               |
| Overhaul             | Yes               |
| Repair Facility      | Miami Lakes       |

## Logistics

|             |                   |
|-------------|-------------------|
| Part Number | 749A0000-02Amdt.B |
| Description | Plenum            |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
