

Part Number: A3348-059

Part Description: Retractable Support

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Assemblies                   |
| Part Number                  | A3348-059                    |
| Root Part Number             | A3348-XXX                    |
| ATA Chapter 2 Digit          | 71                           |
| ATA Chapter 4 Digit          | 71-10                        |
| ATA Chapter 6 Digit          | 71-10-60                     |
| MFR / Manufacture -CAGE Code | Norco                        |
| Application                  | Unassigned                   |

## Repair

|                      |                     |
|----------------------|---------------------|
| Part Number          | A3348-059           |
| Description          | Retractable Support |
| Repair Manual- CMM   | CMM                 |
| Bench Check & Advise | Yes                 |
| Repair               | Yes                 |
| Overhaul             | Yes                 |
| Repair Facility      | Miami Lakes         |

## Logistics

|             |                     |
|-------------|---------------------|
| Part Number | A3348-059           |
| Description | Retractable Support |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.

**630 Aerospace where quality is built in not inspected.**
