

Part Number: D52B1000-1

Part Description: Fan Reverser  
Translating Cowl

## Specifications

|                              |                  |
|------------------------------|------------------|
| Product Families:            | Nacelles         |
| Product Group:               | Thrust Reversers |
| Part Number                  | D52B1000-1       |
| Root Part Number             | D52B1000-XX      |
| ATA Chapter 2 Digit          | 78               |
| ATA Chapter 4 Digit          | 78-32            |
| ATA Chapter 6 Digit          | 78-32-32         |
| MFR / Manufacture -CAGE Code | MRAS             |
| Application                  | CF6 - 50 & 80    |

## Repair

|                      |                               |
|----------------------|-------------------------------|
| Part Number          | D52B1000-1                    |
| Description          | Fan Reverser Translating Cowl |
| Repair Manual- CMM   | CMM                           |
| Bench Check & Advise | Yes                           |
| Repair               | Yes                           |
| Overhaul             | Yes                           |
| Repair Facility      | Miami Lakes                   |

## Logistics

|             |                               |
|-------------|-------------------------------|
| Part Number | D52B1000-1                    |
| Description | Fan Reverser Translating Cowl |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
