

Part Number: D54510052000AD

Part Description: Fairing Lower AFT

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Fairings                     |
| Part Number                  | D54510052000AD               |
| Root Part Number             | D54510052000AD               |
| ATA Chapter 2 Digit          | 54                           |
| ATA Chapter 4 Digit          | 54-26                        |
| ATA Chapter 6 Digit          | 54-56-00                     |
| MFR / Manufacture -CAGE Code | Airbus                       |
| Application                  | A320                         |

## Repair

|                      |                   |
|----------------------|-------------------|
| Part Number          | D54510052000AD    |
| Description          | Fairing Lower AFT |
| Repair Manual- CMM   | SRM               |
| Bench Check & Advise | Yes               |
| Repair               | Yes               |
| Repair Facility      | Miami Lakes       |

## Logistics

|             |                   |
|-------------|-------------------|
| Part Number | D54510052000AD    |
| Description | Fairing Lower AFT |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
