

Part Number: D5537022900200

Part Description: Vertical Stabilizer  
Leading Edge

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Vertical Stabilizers         |
| Part Number                  | D5537022900200               |
| Root Part Number             | D5537022XXXXXX               |
| ATA Chapter 2 Digit          | 55                           |
| ATA Chapter 4 Digit          | 55-32                        |
| ATA Chapter 6 Digit          | 55-32-11                     |
| MFR / Manufacture -CAGE Code | Airbus                       |
| Application                  | A320                         |

## Repair

|                      |                                  |
|----------------------|----------------------------------|
| Part Number          | D5537022900200                   |
| Description          | Vertical Stabilizer Leading Edge |
| Repair Manual- CMM   | SRM                              |
| Bench Check & Advise | Yes                              |
| Repair               | Yes                              |
| Repair Facility      | Miami Lakes                      |

## Logistics

|             |                                  |
|-------------|----------------------------------|
| Part Number | D5537022900200                   |
| Description | Vertical Stabilizer Leading Edge |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
